SPEAKING TOPICS

Top Gun Performance: Finding Your Edge

Become the Best You - This inspirational talk will move you from surviving in life to thriving in life. Anchored in WHY Mike joined the service, his experience reveals three core principles that will help you move from average to top gun performance.

Navigating the Storms: Improving Personal and Team Dynamics

Are you a Level 1 or Level 2 Leader? People buy into the leader before they buy into the plan. "Team Dynamics" is geared toward management and executives who recognize leadership matters if they want to improve department profits and team dynamics.

It was really great hearing Michael speak.
It was both funny and extremely motivating.
Thank you.
